To
All District Magistrates

Subject: Strengthening/reinforcing of DEOCs.

Dear,

Considering the outbreak of Covid-19 and subsequent lockdown for the next 21 days, the situation in states is being constantly monitored by the central government. Daily reports are being sent by DEOCs to SEOC for compilation and further dissemination to the central authorities. This has subsequently increased the work-load in DEOCs.

To strengthen/reinforce the DEOCs, the District Magistrates may recruit PRDs for filling up the vacancies in DEOCs and also attach officers (IRS Members) from various departments, not engaged in other official duties.

This will facilitate smooth coordination between SEOC and DEOCs and also ensure timely reporting to various agencies.

Yours sincerely
