Sub: Domain registration for MIS portal of Disaster Management.

Sir,

Uttarakhand State Disaster Management Authority has developed MIS for daily reporting of corona cases. This MIS is proposed to be hosted on public domain for which 4th level sub domain is required. You are requested to instruct the concerned to register sub domain name (usdma.uk.gov.in) for public IP 103.116.27.64.

The sub domain names shall be used for official purposes and would be in confirmty with IT Act, 2008 and Aadhaar Act, 2016. Domain name will not be used for any unlawful or commercial purposes and as per MHAoM, the website will be hosted in India only.

Your Sincerely

(Ridhim Aggarwal)
ACEO, USDMA
